	ADVANCE CHARGES Upon request, the forwarder as the initial carrier will carry forward as advance charges, for collection from the consignee, the following: (A) Transfer charges of recognized companies, firms or individuals, regularly handling freight between railroad, or boat lines and forwarder's outbound freight stations. (B) Freight charges, also cartage and storage charges, on freight stored in public warehouse by the forwarder if re-forwarded to other destinations.

10	(C) A shipment to carrier's assembling station at Rochester, N.Y. in lieu of pick-up service authorized herein, or when consignee elects to pick-up shipment at carrier's terminals at Chicago, IL, Jamaica, NY or Edison, NJ in lieu of delivery service, and allowance will be made to such consignor or consignee as follows: (1) on less-than-truckload shipments or shipments tendered as less-than-truckload shipments 20 cents per 100#; (2) on truckload shipments or shipments tendered as truckload 10 cents per 100#. No allowance will be made on shipments not entitled to free pick-up or delivery service. Airline Advance Charges: Upon request of the customer or forwarder, C&M will advance charges as available to cover applicable charges (detention, import service charge, etc): (A) up to \$100.00, a service charge of \$50.00 will apply per payment/hawb issued (B) \$101.00 and over will be set at the time of the request (minimum \$50.00) per payment or HAWB issued
25	BILLS OF LADING A Bill of Lading and Shipping Order must accompany each shipment. The following information is required to be listed on any Bill of Lading or Shipping Order: (A) The full name and address of consignor and consignee; (B) A detailed description of article(s), including accurate NMFC number and classification; (C) The exact weight of each shipping container, including packaging material and pallet(s); (D) Exact dimensions of the shipping container containing the article(s) being shipped; (E) Any special marks appearing on the shipping container, including detailed hazardous material information (see Rule 186); (F) Any other information necessary to complete safe delivery of the shipment, including but not limited to contact information, receiving / dock operation hours, purchase order / reference numbers and special instructions. If the freight charges are to be "PREPAID," "COLLECT" OR "THIRD PARTY," the bill of lading and shipping order must be so marked with the appropriate, complete and accurate remit to information, and freight bill covering the charges will be rendered to the paying party directly.

RULE	RULES AND REGULATIONS
	CAPACITY LOADS (Not applicable to Rule 90 - Exclusive Use of Vehicles) Truckload Shipments When a truckload shipment exceeds the quantity that can be loaded in or on a single vehicle, the following provisions will govern: (A) The weight on each fully loaded vehicle will be charged for at actual weight, but not less than the TL minimum weight provided for in the governing tariff or classifications, subject to minimum charges provided in Truckload Minimum Charges on Capacity Loads herein. (B) Not more than one vehicle may be loaded to less than full capacity. The weight on the vehicle loaded to less than full capacity will be charged for at the applicable TL rate, subject to a minimum weight of 10,000 pounds, but the charge shall not be in excess of that based on the LTL rate at the actual weight.

30

(C) On mixed shipments, the minimum charge for the entire shipment will be based on the rate and minimum weight for the commodity having the greatest actual weight in the shipment, computed in accordance with Paragraphs A and B of this section.

Less than Truckload or Any Quantity Shipments

When a single LTL or AQ shipment is loaded to the full capacity of a single vehicle or exceeds the capacity of a single vehicle the freight on each fully loaded vehicle or vehicles will be charged for at the applicable LTL or AQ rate and actual weight, but not less than:

(A) The applicable Class 100 LTL rate for 16,000 pounds; or

(B) The charge at the truckload rate and minimum weight, subject to minimum charges provided in Truckload Minimum Charges on Capacity Loads herein, whichever is lower.

The charge for the excess or overflow from the fully loaded vehicle or vehicles will be computed on the actual weight and applicable LTL or AQ rate, but not more than the charge at the applicable truckload rate and applicable minimum weight, subject to minimum charges provided in Truckload Minimum Charges on Capacity Loads herein. LTL shipments that rate at less than the Truckload Minimum Charge: Shipments weighing or rated as 20,000 pounds or more shall be rated at the applicable discounted 10M rate per hundred (cwt) based on the actual weight.

Conditions and Definitions

(A) The terms "fully loaded", "full capacity", and "loaded to capacity", as used herein are synonymous, each term meaning that quantity of freight which, in the manner loaded, so fills a vehicle that no additional article in the shipping form tendered, identical in size to the largest article in the shipment, can be loaded in or on the vehicle. Loading shall, in no case, exceed the maximum weight of 44,000 lbs. except as provided in Paragraph B;

(B) On shipments in trailers received from or delivered to water carriers or air carriers, each trailer, regardless of size, will be charged for at the actual weight, but not less than the truckload minimum weight. Two trailers, each twenty feet or less in length, when loaded on a single transporting chassis, will be considered as one trailer for the purpose of this paragraph.

Truckload Minimum Charges on Capacity Loads (as defined Conditions and Definitions Paragraph 3A)

Will be subject to market condition rates. Please note, freight that is 10 ft or greater is subject to inspection and an arbitrary rate may apply.

RULE	RULES AND REGULATIONS
	CREDIT & COLLECTIONS POLICY As a condition of extending credit to customers, C&M Forwarding reserves the right to retract any line of credit in the case the account does not remain in good standing. C&M Forwarding also reserves the right to require customers to agree to bank draft arrangements, provide a security deposit, or to provide a bank letter of credit. The invoice date begins the credit term cycle and all payments are due within 15 days from the invoice date. Failure to keep your C&M account in good standing will result in the account being placed on cash or prepayment only basis; the assignment of this status may also result in the loss of any discounts, delay in services, or the inability to request further services. In addition, C&M Forwarding reserves the right to assess a 1.5% monthly interest rate (18% APR) to any unpaid and outstanding account balance that is outside of these terms. The shipper and any other party liable for payment will be responsible for any reasonable costs or fees incurred by C&M Forwarding in the process of attempting to collect payment on accounts. These costs may include but are not limited to: attorneys' fees, collection fees, interest, and court costs. In the case a customer is under credit hold no service guarantees or claims will apply. Credit may or may not be restored after all invoices and costs have been paid to C&M Forwarding.

40

	C&M Forwarding also reserves the right to bill back to the shipper any third party billing arrangements once C&M Forwarding has exhausted attempts to collect unpaid charges. C&M Forwarding is a transportation and logistics provider and must receive prompt payment to properly perform the requested service(s). In the case of a delinquent account and/or the assignment of prepayment or COD status, C&M Forwarding may hold/delay shipments or deliveries until the necessary invoices and collection costs (above) have been paid; as C&M Forwarding has no obligation to perform any service or release goods until payment has been made. In the case a shipment remains unsettled, storage and other miscellaneous charges will accumulate and will be due in addition to the unsettled amount before a shipment will be released.
45	C.O.D. AND ORDER NOTIFY SHIPMENTS Except as otherwise indicated, C.O.D. shipments and shipments forwarded on Order Bills of Lading will be accepted for transportation. The following conditions are to be met for C.O.D. and Order Notify Shipments: (A) Delivery will not be performed on order notify shipments unless the local agent or forwarder holds the original bill of lading or has assurance of the surrender or such document to drayman upon tender of the shipment. (B) A copy of the consignor's invoice, properly filled in with all details to substantiate the amount of the C.O.D., must be securely attached to the shipping order on which the shipment is tendered for transportation. The letters "C.O.D." must be typed or written immediately before the name of the consignee on the shipping order, and the letters "C.O.D." must be clearly marked and evident on each package comprising the shipment. (C) Unless otherwise instructed in writing by the consignor, only certified check in favor of the forwarder will be accepted in settlement of C.O.D. amounts. Such payment shall include the amount of the consignor's C.O.D. charges (invoice), plus the forwarder's collect freight charges and the forwarder's C.O.D. collection charges (See Rule 50). Amounts due consignor will be remitted to consignor only after collection has been made from the consignee.

RULE	RULES AND REGULATIONS						
45 (continued)	(D) If the specific instructions of the consignor permit acceptance of consignee's uncertified check, such check will be accepted only in favor of the consignor, and the forwarder's responsibility shall be limited to securing and transmitting such check. The forwarder's C.O.D. collection charges (See Rule 50) and the forwarder's collect freight charges, will be collected at the same time. (E) C.O.D. shipments will not be accepted with the privilege of examination or trial, or bearing instructions to make partial delivery. (F) C.O.D. shipments will not be accepted or receipted for when billed to one firm or person with instructions to collect charges from another firm or person. (G) A charge is made by the freight forwarder for collection and remittance of C.O.D. amounts as shown in Rule 50.						
50	CHARGES FOR C.O.D. COLLECTIONS A charge is made by the forwarder for the collection and remittance of C.O.D. amounts as follows: <table> <tr> <td>Shipper's C.O.D. Amount:</td><td>Forwarder's Collection and Remittance Charges:</td></tr> <tr> <td>Up to \$1000</td><td>74.85</td></tr> <tr> <td>Over \$1000</td><td>A rate of \$74.85 per \$1000</td></tr> </table>	Shipper's C.O.D. Except noted below, the carrier's liability for loss or damage to any shipment or part thereof is limited to the actual invoice value of the commodities or articles lost or damaged or \$25.00 per pound per shipment, whichever is less, unless declared value coverage is requested, declared, approved and the additional charges are paid (additional declared value coverage is not insurance). In no case shall the carrier's liability exceed \$100,000.00 per shipment. Carrier shall not be liable for loss, damage or for any delay to a shipment caused by an act of God, the public enemy, the law, the nature of the goods, or resulting from an act of the shipper. B) Shipments by Handling Unit Carrier's liability for loss or damage to any shipment or part thereof that has been priced per handling unit is limited to the lesser of the following, unless declared value coverage is requested, approved and paid: (1) Actual invoice value of the commodities or articles lost OR (2) Limited liability provisions of the Bill of Lading OR (3) Applicable limited liability provisions of the NMFC OR (4) \$1.00 per pound per package C) Spot/Flat Quote Shipments

Carrier's liability for loss or damage to any shipment or part thereof in connection with a Spot/Flat quote will be regulated by the terms of the quote but will in no event shall the carrier's liability be greater than the actual invoice value of the damaged or lost articles. In cases where the carrier's liability is not established by the terms of the spot quote, the carrier's liability will be limited to the lesser of the following, subject to the maximum liability of \$1.00 per pound:

- (1) Actual invoice value of the commodities lost or damaged **OR**
- (2) Limited liability provisions of the Bill of Lading **OR**
- (3) Applicable limited liability provisions of the NMFC

In no case shall the carrier's liability exceed \$10,000 per shipment.

D) FAK

Carrier's liability will be the same as that of the FAK exception class or class reduction. Carrier's liability or part thereof for which the charges are determined by FAK class or exception class is limited to the:

	E) Import and Export				
	Unless otherwise specified, liability on all international shipments, moving domestically, shall be limited to the higher of \$50.00 per shipment or \$.50 per pound, This applies to shipments or any part of, lost or damaged while in our possession. Maximum liability will not exceed \$10,000.				
	Under no circumstances will C & M Forwarding Co. Inc., accept liability for any shipment exceeding \$50,000 regardless of the declared value without specific prior arranged approval. Should additional coverage be required, please contact C & M Forwarding Co, at 1-585-279-0770 to arrange. If the Shipper executes a release rate in excess of \$50,000.00 without prior approval and rate and the shipment is accepted by C & M Forwarding Co., it shall be considered released at \$50,000 per shipment and will move subject to such limitations, applicable rates, and insurance charges.				
	DELIVERY AND REDELIVERY / RECONSIGNMENT				
	Only one delivery attempt will be made on a shipment. When through no fault of the carrier, delivery can not be accomplished, no further attempt will be made, except upon request. Any additional delivery attempts will be subject to the following rates and charges. The paying party will be responsible for this charge.				
	(a) Redelivery (RE) charges will be assessed on the basis of \$9.55 per cwt (minumum of \$150.00) plus current applicable C&M fuel surcharge.				

55	(b) If consignee elects to take delivery at the carrier's terminal instead of authorizing a redelivery, a crossdock (CD) charge of \$2.50 per one hundred pounds, subject to a minimum charge of \$50.00 will apply. (c) Should the delivery address require a change, a reconsignment (RC) charge will apply to be computed by 60% of current C&M applicable reconsignment rate base (minimum \$175.00) plus current applicable C&M fuel surcharge. In addition a BOL correction fee (BI) will also apply (\$50.00). These charges are to be in addition to the redelivery / reconsignment charges above.
56	CALIFORNIA COMPLIANCE SURCHARGE Shipments originating from and/or destined to the state of California will be subject to a charge of \$16.25 per shipment, in addition to all other applicable charges.
57	ADDITIONAL CHARGES TO HIGH COST, METRO AND REMOTE ACCESS AREAS In addition to all other applicable charges, shipments originating from or destined to zip codes listed in Appendix A will be assessed an additional charge as indicated in the appendix.
60	DELIVERY - SPECIAL DELIVERY When any delivery is required to be made, based on instructions received within less than eight normal working hours on the same day on which delivery is to be made, when such delivery requires the exclusive use of a delivery vehicle and its operator, the minimum special delivery charge of one hundred fifty dollars per hour (\$150.00/hr) will be assessed in addition to all other lawful charges as provided for in this tariff. The special delivery fee will be assessed to the responsible paying party.
70	DELIVERY SERVICE AT PRIVATE RESIDENCES AND OTHER SUCH LOCATIONS SECTION A - GENERAL APPLICATION: This Rule applies only when the consignee of a shipment is located at a private residence (Note A), located in an area that would reasonably be considered residential, (herein after referred to collectively as "residential") or when consignor endorses Bill of Lading and Shipping Order on such shipments as required in Section B. SECTION B - BILLS OF LADING: On shipments requiring residential delivery, shipper (consignor) must so state on Shipping Order and Bill of Lading and must also state name, full address and telephone number of party to contact to arrange for delivery. The failure of the shipper to provide the carrier with this information at the time of shipment, will render the provisions of Sections C and D herein inapplicable. SECTION C - ARRIVAL NOTICE: Before initially attempting delivery carrier will provide consignee with a notice of arrival by telephone or email and offer arrangement for delivery as provided in Section D. When carrier fails to comply with this Section or Section D and is unable, for any reason, to complete delivery of the shipment, no charge will be made for any subsequent notification, appointment, redelivery or storage caused by such failure. SECTION D - ARRANGEMENTS FOR DELIVERY: The carrier's arrival notice shall only ask consignee for a satisfactory delivery date and shall advise the consignee of the following: (1) That shipment is immediately available for delivery at carrier's terminal if desired. If consignee chooses (2) The date of the carrier's next scheduled delivery and whether morning or afternoon, for the delivery area involved. (3) The delivery requirements of the shipment, including: (a) The weight of the shipment, its packaging and freight payment requirements. (b) Extra charges applicable under Sections E and G, including extra charges applicable when extra labor is required (Rule 135) or when consignee requests delivery beyond the roadway, sidewalk or driveway accessible to vehicle (Rule 180). (c) Any other such information that might assist advance planning on the part of the consignee and facilitate carrier delivery.

SECTION E - STORAGE:

When consignee fails to advise carrier that it is unable to accept delivery on or before the date and time specified in Paragraph (2), Section D of this Item, storage charges provided in Rule 100 will begin at 7:00 A.M. on the next business day.

RULE	RULES AND REGULATIONS										
70 (continued)	SECTION F - FEE FOR RESIDENTIAL SERVICE The fee for delivery for residential service (RD) is \$150. This fee will be assessed to the responsible paying party.										
	SECTION G - PAYMENT OF EXTRA CHARGES: Charges for services described in Section E of this Item will be collected from the paying party unless shipper (consignor) specifically requests such services on the Bill of Lading and Shipping Order of prepaid shipments. Such charges on shipments moving on Government Bill of Lading will in all cases, be collected from the U.S. Government. NOTE A - The term "Private Residence" shall apply to the entire premises on which a dwelling for living is located, except it will not apply to that portion of the premises where commercial or business activity is conducted that involves the sale of merchandise or services to the walk-in public during normal business hours.										
	DELIVERIES TO GOVERNMENT, SECURED INSTALLATIONS AND LIMITED ACCESS AREAS All deliveries to government installations, military bases, nuclear power plants, mine sites, jails, prisons, airports, construction sites, camps, country clubs, estates, farms, ranches, mini storages, schools, universities, churches or other places of worship, marinas, waste water treatment plants, trade shows, expositions, exhibitions, convention centers, hotels, hospitals, nursing homes, health centers, as well as any other secured location that may prevent or delay a driver from normal entry into a facility will be assessed limited access fee (LI) of \$150 per shipment, in addition to all applicable rates and charges.										
80	DETENTION RULES Upon attempting pick-up or delivery, waiting time in excess of free time indicated herein will be charged Detention (See Rule 85). The time per vehicle shall start upon notification by the driver of the vehicle to the responsible representative of consignor or consignee at the place of pick-up or delivery of the arrival of the vehicle for loading or unloading, as the case may be, either on the premises designated by the consignor or consignee, or as close thereto as conditions on said premises will permit, and shall at the completion of the loading or unloading and receipt by the driver of a signed Bill of Lading or receipt for delivery, as the case may be. RULE	RULES AND REGULATIONS
88 (continued)	Failure to keep your C&M account in good standing will result in the account being placed in unfavorable credit status and all the terms in the Credit & Collections Policy Rule 40 will apply, including but not limited to, the loss of any discounts and addition of any applicable fees and/or accrued interest on outstanding account balances.
90	EXCLUSIVE USE OF VEHICLES (1) Except as provided in Paragraph 2 of this rule, no shipment is entitled to the exclusive use of the vehicle in which it is to be transported. The carrier has control of the vehicle and the unrestricted right to: (A) Select the vehicle or vehicles for the transportation of a shipment; (B) Transfer the shipment to other vehicles; and (C) To load other freight in the same vehicle with any such shipment (2) Upon demand (by consignor or consignee), the exclusive use of a freight carrying vehicle will be assigned to the transportation of a shipment subject to the following conditions: (A) The demand must be given in writing, attached and referred to, or inserted in the Bill of Lading and the Shipping Order; (B) The terms "Vehicle or freight carrying vehicle" as used in this Item, means a truck or trailer combination; (C) The vehicle will be devoted exclusively to the transportation of the shipment, without the transfer of lading and without the breaking of seals, if any have been applied, except in cases of emergency, when the shipment will be given the exclusive use of the vehicle to which it is transferred; (D) The consignor may not execute the non-recourse stipulation of the Bill of Lading, and to that extent, Section 7 of the contract terms and conditions of the Bill of Lading will not apply. (3) Assignment of Equipment by Carrier: Shipments which prohibit or preclude the loading of other freight on the same vehicle because of dimensions, shape, fragility or hazardous or contaminating characteristics, will be handled under the following conditions: (A) Notice to Consignor: The carrier shall inform the consignor that the shipment requires the exclusive use of the entire vehicle or vehicles to be assigned thereto. (4) Charges and Conditions: The charge shall be computed on the truckload basis, and shall in no case be less than the applicable Class 100 rate for 16,000 pounds. (5) The provisions of Rule 30 (Capacity Loads-Overflow) will NOT apply.
95	STORAGE AND FREE TIME (1) In computing time and charges, any fractions part of twenty-four (24) hours will be counted as one day. (2) In computing charges, any fractional part of one hundred pounds will be computed as one hundred pounds. (3) Freight held in or on forwarder's premises in excess of twenty-four (24) hours, and export freight held in excess of one hundred twenty (120) hours from the first 7 A.M. after the day of arrival will be subject to the storage charges as provided for in Rule 100 and no other provisions for free time will be allowed. (4) A forwarder has the option of having freight sent to a public warehouse for storage but additional fees will be assessed for transportation as noted in Rule 55 section (c)

115	LOSS, DAMAGE OR DELAY Carrier party hereto shall not be responsible for loss, damage or delay caused by an act of God, riots, strikes, public enemies, improper addressing of shipments, authority of law, quarantine, hazards and dangers incident to the state of war, or highway regulations.																	
120	MARKING, LABELING OR TAGGING OF SHIPMENTS When a consignor (shipper) requests forwarder to mark or remark articles in a shipment after receipt by forwarder or prior to delivery at destination, such service will be performed by the forwarder subject to a charge of \$15.00 per article, minimum charge \$95.00. The forwarder will assume no liability for incorrect marking, labeling or tagging of freight, as it is the responsibility of the shipper to properly mark, label or tag shipments.																	
125	MIXED SHIPMENTS Except as otherwise provided, when two or more commodities are included in the same shipment in separate packages, charges will be computed at the rates applicable to such commodities in straight shipments of the combined weight of the mixed shipment. In the event a lower charge results by considering such commodities as if they were divided into two or more separate shipments, the higher charge will apply.																	

RULE	RULES AND REGULATIONS
130	NOTIFICATION PRIOR TO DELIVERY When a Bill of Lading and Shipping Order for a domestic shipment is tendered bearing a notation requesting forwarder to notify consignee prior to delivery by any means whatsoever, a charge of \$25.00 per shipment shall be assessed. Any shipment destined to the state of CA, AZ, NM, UT, ID, WA, OR, NV, and CO that requires notification, a \$40.00 fee will apply. (1) When notification prior to delivery is requested on the original Bill of Lading and Shipping Order, the charge for notification will be charged to the paying party responsible for all other charges. (2) On shipments for export or import where the delivery or originating point is an international airport, shed, wharf, pier or export consolidating warehouse, the charge for notification will be \$50.00.

135	ORDINARY SERVICE AND EXTRA LABOR (1) Unless otherwise specifically provided, rates in this tariff include the loading and unloading of freight on and off carrier's vehicle when this service can be performed by one man. (2) When more than one man is furnished by the carrier for the loading or unloading of a shipment, which on account of its weight, dimensions or physical characteristics of pieces cannot be handled by one man, or where consignor's or consignee's requirements or arrangements are such that they will not tender or accept shipment unless the carrier provides more than one man, or when for the benefit of and at the request of the consignor or consignee, an additional man is provided, the additional man (or men) will be charged for at the rate of \$65 per man per hour or fraction thereof, with a minimum of 4 hours to be charged.														
140	INVOICING DISPUTES The freight forwarder will not be liable for an overcharge claim unless within 180 days from the date that the shipment is delivered or is tendered for delivery by the freight forwarder, a claim in writing is filed with the freight forwarder or suit is instituted in a court of competent jurisdiction within said period, except that if claim for the overcharge has been presented in writing to the freight forwarder within 180 days, that period shall be extended to include six months from the time the notice in writing is given by the freight forwarder to the claimant disallowing the claim or any part thereof.														
142	OVER DIMENSION FREIGHT Freight that exceeds standard pallet dimensions of 48" by 48" (4 feet), will be assessed a linear foot fee based on the table below: <table border="1" data-bbox="581 888 1128 1134"> <thead> <tr> <th>Linear Foot</th><th>Charge</th></tr> </thead> <tbody> <tr> <td>5'1" - 6'</td><td>\$125.00</td></tr> <tr> <td>6'1" - 7'</td><td>\$195.00</td></tr> <tr> <td>7'1" - 10'</td><td>\$295.00</td></tr> <tr> <td>10'1" - 15'</td><td>\$475.00</td></tr> <tr> <td>15'1" - 19'</td><td>\$950.00</td></tr> <tr> <td>19'1" +</td><td>\$1,150.00</td></tr> </tbody> </table> For the purpose of assessing this fee, any measured portion of freight that exceeds each foot break will be charged at the next applicable rate in the preceding table. 145	PACKING REQUIREMENTS Articles when tendered for transportation must be packed to fully comply with all packing requirements of current National Motor Freight Classification, supplements thereto or successive issues of said publication.														
150	PENALTY CHARGES FOR DELAY OF LOADING OR UNLOADING (NOTE A) A period of 24 hours free time will be allowed after trailer is made available by forwarder for loading or unloading of shipment or notification made that trailer is available for placement. Free time for loading will commence at 7:00 A.M. on the day following placement of the trailer. Free time for unloading will end at 6:59 A.M. on the second day of placement of the trailer, refusal of placement or notification that trailer is available for placement. If loading/unloading is not accomplished and trailer isn't released within the free time allowed, the following detention charges will be assessed until loading/unloading is completed and trailer is released. <table border="1" data-bbox="280 1644 1482 1759"> <thead> <tr> <th>Days or Fractions Thereof, in excess of Free Time</th><th>Charge Per Day or Fraction Thereof</th></tr> </thead> <tbody> <tr> <td>First, Second, Third and Fourth day</td><td>\$50/DAY</td></tr> <tr> <td>Fifth and Each Succeeding Day</td><td>\$250/ WEEK</td></tr> </tbody> </table> Times will be based upon days starting at 7:00 A.M. Any part of a day will constitute a whole day for purpose of calculating a daily penalty charge. After one week (seven days), charges will be on a per week basis and any part of a week will constitute a full week for purpose of calculating the weekly penalty charge. These charges will be in addition to all other legal charges. NOTE A - Nothing in this Rule shall require forwarder to deliver freight at hours other than during the normal business hours. 	PENALTY CHARGES FOR REFUSED SHIPMENTS
152	Any shipment offered for delivery as consigned during Forwarder's normal working hours, and not in violation of any special conditions shown on Shipping Order at the time shipment is tendered for transportation, and on which delivery is not completed, will be treated as a refused shipment subject to the following conditions: (1) Both the shipper and indicated consignee will be notified of the situation, by certified mail if deemed necessary. (2) Applicable references to reasons for refusal, free time, storage and redelivery will be clearly shown on mailed on-hand notices. (3) A charge of \$15.85 will be made on all refused shipments for handling, in addition to all other applicable charges. Such charges will be due by the paying party.
155	PICK-UP OR DELIVERY CHARGES Except as otherwise provided, rates in tariffs governed by this tariff include one pick-up and loading and one delivery and unloading or one tender for delivery of shipment by the carrier (See Rule 175 for IMPRACTICAL OPERATIONS) at one site, subject to the following conditions: (1) PLACEMENT OF VEHICLE FOR LOADING: (A) At the request of consignor, the carrier will furnish a vehicle at the loading site designated by the consignor to pick-up a shipment tendered for transportation.

RULE	RULES AND REGULATIONS
155 (continued)	(2) LOADING BY CARRIER: (A) Freight tendered for loading shall be so situated by the consignor as to be directly accessible to the vehicle, or it shall be immediately adjacent to a parking space suitable for carrier to place its vehicle for loading. (See Rule 180: HANDLING FREIGHT AT POSITIONS NOT IMMEDIATELY ADJACENT TO VEHICLE). (B) Carrier will furnish only one man per vehicle for loading, be he driver, helper or any other carrier employee, except as provided in Rule 135 (ORDINARY SERVICE). (3) UNLOADING BY CARRIER: (A) Freight will be unloaded at the delivery site immediately adjacent to the delivery vehicle (See Rule 180: HANDLING FREIGHT AT POSITIONS NOT IMMEDIATELY ADJACENT TO THE VEHICLE). (B) Carrier will furnish only one man per vehicle for unloading, be he the driver, helper or any other carrier employee, except as provided in Rule 135 (EXTRA LABOR UNLOADING). (4) RESTRICTIONS ON LOADING OR UNLOADING BY CARRIER: (A) Loading or unloading service does not include assembling, packing, unpacking, dismantling, or inspecting, sorting, or segregating freight, or removal / disposal of any packaging material except as provided in Paragraphs (a), (b), (c), (d) and (e) below: (a) If sort and segregation is required, a charge of \$1.35 per piece, package or other unit in the shipment, with a minimum charge of \$75.00 per shipment per vehicle will be assessed for segregation by marks, brands, sizes, flavors, color or other distinguishing characteristics, except as provided in Paragraph (b). Such charges will be assessed in addition to all other legal charges and will be charged to the paying party responsible for all other charges related to the shipment. (b) No segregation charge will be made when the only service performed is a count necessary to determine the extent and identity of shortages or overages as may have been ascertained by carrier's employee, or when detention charges accrue and are paid on the same shipment at the same location.

	(c) Assembly or packing of freight necessary for the safe transport of freight received by the carrier is the responsibility of the shipper. The paying party responsible for all other charges related to the shipment will be required to contact carrier for a quote if this service is to be provided by the carrier. (d) Unpacking, dismantling, removal or disposal of any packing material is the responsibility of the consignee. The paying party responsible for all other charges related to the shipment will be required to contact carrier for a quote if this service is to be provided by the carrier. (e) If lumpers service is required at delivery and is provided by an on-site service, the paying party will be assessed a minimum charge of \$65.00, plus a minimum service charge of \$50.00 for the outlay of funds for this service.
--	---

RULE	RULES AND REGULATIONS
155 (continued)	(2) Loading or unloading service does not include furnishing by carrier of rigging or special loading or unloading equipment, such as platform vehicle (other than 2 wheeled hand trucks), winches, cranes, blocks or falls, chain falls or other special equipment used in hoisting, lowering, handling or placing freight in position. When such equipment is used in loading or unloading, the consignor or the consignee, as the case may be, shall furnish same and necessary labor to operate such equipment at its expense and shall assume responsibility for the safe loading or unloading, except carrier's employees may use hand trucks or 4 wheeled hand carts, and hand or electrically operated pallet jacks (non-riding type) when furnished by the consignor or consignee. The paying party responsible for all other charges related to the shipment will be required to contact carrier for a quote if this service is to be provided by the carrier. (3) Where consignor's or consignee's shipping or receiving facilities are not reasonably level with floor level of carrier's vehicle, or where on account of weight, dimensions or physical characteristics of pieces or packages the shipment cannot be handled by one man, consignor or consignee must furnish adequate means by which the freight can be moved onto or off carrier's vehicle. In the absence thereof, rates in tariffs governed by this tariff will not include loading or unloading. (4) When a shipment is tendered for delivery during carrier's normal business hours (that period from 8:00 A.M. to 5:00 P.M. on Monday through Friday, except on legal holidays) and through no fault of the carrier, such shipment cannot be delivered, provisions and charges published in Redelivery Rule 55 will apply in addition to all other lawfully applicable charges. (5) When hydraulic lift gate service is required for final delivery, a charge of \$95 will be assessed to the paying party responsible for all other charges related to the shipment.
160	PICKUP AND DELIVERY - SATURDAYS, SUNDAYS, AND HOLIDAYS When consignor or consignee requests carrier to pick-up or deliver freight on Saturdays, Sundays and Holidays, such service will be performed subject to the following provisions: (A) Computation of Time: (1) Time shall be computed upon notification by the driver to the responsible representative of the consignor or consignee that the vehicle or vehicles are available for loading or unloading at premises of consignor or consignee, and shall end upon completion of loading or unloading, and receipt by the driver of signed Bill of Lading or receipt for delivery, as the case may be. (2) Under this rule, the day, Saturday, Sunday or a Holiday, shall be deemed to end at 7:00 A.M. on the succeeding day.

	(3) Where consignor or consignee requires and requests spotting of trailers or pick-up of trailers spotted, on Saturdays, Sundays or Holidays, the minimum charge provided will apply for each such service performed on such days in addition to all other lawfully applicable rates and charges. (B) Holidays: All holidays covered by this rule shall be as provided in Rule 110 of this Tariff. (C) Charges: The charges to be assessed will be as provided in Rule 165 of this tariff and shall be in addition to all other lawfully applicable rates and charges.
--	--

RULE	RULES AND REGULATIONS
160 (continued)	NOTE A: The provisions of this rule shall not be construed as obligating the carrier to furnish pick-up and delivery service on Saturdays, Sundays and Holidays. NOTE B: Charges must be either paid by the responsible paying party or guaranteed to the satisfaction of the carrier before pick-up or delivery will be made.
165	CHARGES FOR PICK-UP OR DELIVERY ON SATURDAYS, SUNDAYS OR HOLIDAYS The following charges will be assessed in addition to all other lawfully applicable rates and charges: \$125 per man hour, Minimum Charge \$450.00. No Maximum
170	PICK-UP SERVICE AT PRIVATE RESIDENCES AND OTHER SUCH LOCATIONS Pick-up service will be performed at private residences at the rates provided in this tariff and subject to the rules provided in this tariff (See Rule 70): (A) Freight is tendered to forwarder at ground level adjacent to a spot or site available to forwarder's vehicles. (B) Pick-ups within private residences will be subject to the provisions of Rule 180 (Inside Pick-up or Delivery).
175	IMPRACTICAL OPERATIONS Pick-up or delivery service will not be performed by the carrier at any site or to which it is impractical to operate vehicles because of: (A) The conditions of roads, streets, driveways, alleys or approaches thereto. (B) Inadequate loading or unloading facilities. (C) Riots, Acts of God, strikes, the public enemy, the authority of law, the existence of violence, or such possible disturbances as tending to create reasonable apprehension of danger to persons or property. Collection and delivery service to islands in New York Harbor and to points located on a highway facility upon which a toll is placed for its use, and requiring payment of such toll by the carrier in order to render the service, shall be subject to an additional charge in the amount of such toll. Billing for such charges shall be supported by official receipts or vouchers, if requested, in the amount paid by the carrier and will be advanced for collection from the party responsible for the payment of freight charges.
180	HANDLING FREIGHT AT POSITIONS NOT IMMEDIATELY ADJACENT TO VEHICLE (INSIDE PICK-UP OR DELIVERY) When requested by consignor or consignee and carrier's operating conditions permit, the carrier may move shipments or portions of shipments from or to positions beyond the immediately adjacent loading or unloading positions defined in Rule 155 (PICK-UP OR DELIVERY SERVICE). Service under this Rule will be provided to floors above or below the level accessible to carrier's vehicle only when elevator or escalator service is available, and when labor necessary to operate same is provided without cost to the carrier. When portions of a shipment require delivery to different floors, each such delivery shall be assessed on the basis that each constitutes a separate shipment and each subject to the applicable rate per cwt., and minimum charge. LTL OR AQ SHIPMENTS All shipments: \$6.50 per cwt, minimum \$65.00, no maximum TRUCKLOAD SHIPMENTS

	The charges provided in this rule will be in addition to all other lawful charges and will be collected from the party responsible for the payment of freight charges.	
	When extra labor is furnished by carrier, charges will be assessed as provided in Rule 135.	
RULE	RULES AND REGULATIONS	
	PROHIBITED ARTICLES	
	The following articles will not be accepted:	
	EXPLOSIVES, VIZ.:	EXPLOSIVES, VIZ.:
185	Ammunition for Cannon (All Kinds)	High Explosives
	Black Powder	Lamp Black
	Blasting Caps	Low Explosives

	Electric Blasting Caps	Smokeless Powder (All Kinds)
	Fulminate of Mercury (Wet or Dry)	Torpedoes (All Kinds)
	Grenades (All Kinds)	Articles of any character which would contaminate other articles of freight.
	Radioactive Articles or Materials and Radioactive Wastes	Any other materials deemed unsafe by the carrier
	HAZARDOUS MATERIALS	
	Shipment of hazardous materials as defined by Department of Transportation Regulations, including 49 CFR Parts 100 thru 180, will be accepted for transportation in carrier's vehicle, subject to the following charges:	
186	(A) A handling charge per shipment which will be in addition to all other applicable charges, as follows:	
	Weight (lbs.)	Charge
	1 - 999	\$50.00
	1,000 - 2,499	\$100.00
	2,500 - 9,999	\$400.00
	10,000 +	\$650.00
	STOP-OFF IN TRANSIT	
190	Volume shipments of freight moving may be stopped at point of origin or destination for completion of loading or for partial unloading or both. The paying party is responsible for contacting the carrier for a quote for this service.	
	THIRD PARTY BILLING	
195	When a shipment is consigned to a party at one destination, point or site with instructions in the Bill of Lading and Shipping Order to collect freight charges from another party (Third Party) at the same or different destination, point or site, the consignor (shipper) will remain liable for such charges, irrespective of the consignor (shipper) executing Section 7 of the Bill of Lading and Shipping Order. Post shipment Bill of Lading and Shipping Order corrections instructing the forwarder to collect freight charges from another party (Third Party), will not be accepted.	
	In the event that the Third Party indicated in the Bill of Lading and Shipping Order fails to pay legal freight charges due on the shipment in question within the statutory limits, such charges will be billed to the consignor (shipper).	
	VEHICLE FURNISHED, BUT NOT USED	
197	Whenever a vehicle is requested and furnished, but not used, a minimum \$350 charge will be assessed.	
	WAREHOUSING	
	Liability and Limitation of Damages	

198	A) C & M shall not be liable for any loss or injury to goods stored however caused, unless such loss or injury resulted from the failure by C & M to exercise such care in regard to them as a reasonably careful man would exercise under like circumstances and C & M is not liable for damages which could not have been avoided by the exercise of such cares. B) Goods are not insured by C & M against loss or injury however caused. Depositors are responsible for their own inventory property insurance.
-----	--

RULE	RULES AND REGULATIONS
198 (continued)	C) The depositor declares that damages to goods received are limited to \$.30 per pound or two years storage charges, whichever is less. However, such liabilities may on written request by the depositor at the time be increased, in which event a charge for the excess value will be made in addition to the monthly storage charges. D) Customer agrees that C & M Forwarding will not be responsible for any losses due to mis-shipments or delays. Notice of Claim and Filing of Suit A) Claims by the depositor and all other persons must be presented in writing to C & M within a reasonable time and in no event longer than either 60 days after the delivery of the goods by C & M or 60 days after depositor is notified that loss or injury to part or all of the goods has occurred, whichever is shorter. B) No action may be maintained by the depositor or other against C & M for loss or injury to the goods stored unless timely written claim has been given as provided in paragraph A of this section and unless action is commenced either within nine months after the date of delivery by C & M or within nine months after depositor is notified that loss or injury to part or all of the goods has occurred, whichever is shorter. Liability for Consequential Damages C & M shall not be liable for any loss of profit or special, indirect or consequential damages of any kind Liability for Misshipment If C & M negligently ships goods, C & M shall pay the reasonable transportation charges incurred to return the misshipped goods to the warehouse. If the consignee fails to return the goods, C & M's maximum liability shall be for the loss of damaged goods as specified in the liability paragraph above, and C & M shall have no liability for damages due to the consignee's acceptance or use of the goods whether such goods be those of the depositor or another. Mysterious Disappearance C & M shall not be liable for loss of goods due to inventory shortage or mysterious disappearance of goods unless depositor establishes such loss occurred because of C & M's failure to exercise the care required of warehouseman. Any presumption of conversion imposed by law shall not apply to such loss and claim by depositor of conversion must be established by affirmative evidence that C & M converted the goods to C & M's own use.
200	WEIGHING AND WEIGHTS - CARLOAD (TRUCKLOAD) WEIGHTS MAXIMUM WEIGHT PER VEHICLE The maximum weight of any shipment loaded into one vehicle will NOT exceed 44,000 pounds. Any fines or penalties assessed against the forwarder due to the misrepresentation of actual weight by a consignor or shipper, will be billed to such consignor or shipper by the forwarder.
